

BOE Resolution – Pawnee City Trap Team

Whereas, the school district desires to specify its wish to not sponsor a trap shooting team for a variety of reasons, including but not limited to the cost of such sponsorship, the liability issues involved in such sponsorship and the lack of NSAA sanctioned trap shooting events;

And whereas, the board of education still wishes to support students who are involved in competitive trap shooting without actually sponsoring trap shooting as a school activity;

Now therefore be it resolved that the trap team may call itself the “Pawnee City Trap Team” for registration purposes only. The team may only use school property and other resources in the same way that general members of the public are permitted such use.

Be it further resolved that administration is directed to clearly inform the students and sponsors of the Trap Team in writing that the Pawnee City School District does not sponsor or supervise any Pawnee City Trap Team Activity.
